2022 IOA-PAG Conference
South Point Hotel
August 15-18, 2022

Poster Presentation Guidelines

- Poster session will take place in Grand Ballroom B, Tuesday 8/16 from 3:30 to 5:00 PM
    - Posters can be placed starting at 7PM on Monday 8/15
    - Please hang poster no later than 3 PM on Tuesday 8/16
    - Please be near poster to present between 3:30 PM to 4:30 PM
- Posters need to fit on 4' high x 8' wide boards—it is recommended to size poster slightly smaller than given space (e.g., 3'x5')
    - Boards are two sided, with one poster on each side
    - Tacks/Push-pins will be provided to hang posters
- Audience must be able to see material from 6' away
    - Lettering is recommended at 28-32 font or larger (~0.2" high)
    - Figures, Graphs, and photos should be minimum 1" x 1", but larger is recommended
- Poster should contain a title banner at the top that spans the width of the poster containing title, authors, and affiliations
- Posters are graphical representations of technical papers. Content should be concise and self-explanatory, allowing viewers to easily understand content when poster is unattended. Recommendations:
    - Content should be organized logically—top to bottom, left to right
    - Break into subsections (e.g., objectives/motivation, background, methods, materials, results, conclusions, etc.)
    - Poster should consist mostly of graphics (e.g., figures, pictures, icons, etc.)
    - Bullets and brief statements are preferable over complete sentences
    - Don't forget to include motivation/objective, graph labels, units, take-aways/conclusions, etc.
- Consider a fabric poster, as they travel easier: https://postersmith.com/
